Joe's pizza and pastry doughs are made with organically grown New Mexico flour. We use no stabilizers, preservatives or milk powders. The pizza sauce is made from reduced tomato (not reconstituted paste) olive oil and spices. We use low moisture real skim milk mozzarella.

Calzone and Stromboli

We use our pizza dough, add the filling and fold it like a turnover, served with marinara sauce for dipping.

Calzone - filled with ham, ricotta and mozzarella 9.95

Stromboli - filled with pepperoni, Italian sausage, onions, black olives, mozzarella and sauce 9.95
